

The 31st Annual Cherry Blossom Seminar Schedule

Friday March 30th, 2012

- 7:00-7:50am Registration/Exhibits/Continental breakfast
7:50- 8:00 Welcome/Opening Remarks
Mike Malek MD
8:00-8:30 MRI of the Shoulder with Clinical Correlation
Quan Vu MD

AM Session I: Instability

Moderator: Jeff Abrams MD

- 8:30-8:45 Arthroscopic Shoulder Stabilization for Anterior Instability
Rick Angelo MD
8:45-9:00 Something's Missing: How to evaluate and address bone deficiency in instability surgery
Evan Flatow MD
9:00-9:15 Arthroscopic stabilization for Posterior Instability
Benjamin Shaffer MD
9:15-9:30 How I treat (other physician's) failed stabilization
Jeff Abrams MD
9:30-10:00 Questions and Answers
10:00-10:30 Refreshments and Exhibits

AM Session II: Shoulder Miscellaneous I

Moderator: Rick Angelo MD

- 10:30-10:45 SLAP lesions - What, When and How?
Brian Cole MD
10:45-11:00 Options in treating Long head Biceps tendon problems
Benjamin Shaffer MD
11:00-11:15 Arthroscopic Management of MDI – How should we re-tension the capsule?
Rick Angelo MD
11:15-11:30 Type III AC joint injuries - New Concepts for Acute and Chronic Repair
JR Rudzki MD
11:30-12:00 Questions and Answers
12:00-1:00 Lunch on Your On Your Own

PM Session I: Rotator Cuff

Moderator: Evan Flatow MD

- 1:00-1:15 Arthroscopic Rotator Cuff Repair: Current Concepts
Rick Angelo MD
1:15-1:30 Arthroscopic Repair of Subscapularis Tendon Tears: Indications and Technique
Jeff Abrams MD

- 1:30-1:45 Advanced Strategies in Treating Difficult Cuff Tears –What’s on the Horizon?
Evan Flatow MD
- 1:45-2:00 Out of options? When to consider the Reverse TSR?
Brent Wiesel MD
- 2:00-2:30 Questions and Answers

PM Session II: Shoulder Miscellaneous II

Moderator: JR Rudzki MD

- 2:30-2:45 Proximal Humerus Fractures - Evaluation and Management
JR Rudzki MD
- 2:45-3:00 Getting good Glenoid Exposure during Total Shoulder Replacement
Evan Flatow MD
- 3:00-3:30 Questions and Answers
- 3:30-4:00 Refreshments and Exhibits
- 4:00-5:00 Ask the Experts: Upper Extremity Case Presentations/Discussions
Moderator: Benjamin Shaffer MD
Panelists: Jeff Abrams MD, Rick Angelo MD, Evan Flatow MD
- 5:00 Adjourn

5:00-7:00 *Welcome Reception for Attendees, Faculty and Exhibitors*

Saturday March 31st, 2012

- 7:00- 7:55 Registration/Exhibits/Continental Breakfast
- 7:55-8:00 Announcements
- 8:00-8:30 MRI of the knee with Clinical Correlation
Steve Meyers

Session I: Meniscus/ ACL

Moderator: Brian Cole MD

- 8:30-8:45 Meniscus Repair vs. Resection
Nick Sgaglione MD
- 8:45-9:00 Present Status of Meniscal Transplantation
Darren Johnson MD
- 9:00-9:15 Single Bundle ACL Reconstruction: Principles and Technique
Steve Howell MD
- 9:15-9:30 Principles of ACL revision Surgery Pearls and Pitfalls
Greg Fanelli MD
- 9:30-10:00 Q & A
- 10:00- 10:30 Refreshment/Visit Exhibits

Session II: Patella/Ligaments

Moderator: Steve Howell MD

- 10:30-10:45 Medial Collateral Injuries Operate or not to Operate
Chris Annunziata MD

- 10:45-11:00 PCL Reconstruction/Technique and Results
Greg Fanelli MD
- 11:00-11:15 Multiple Ligament Injuries of the Knee
Darren Johnson MD
- 11:15-11:30 Algorithm for Patellofemoral Realignment Surgery
Brian Cole MD
- 11:30-12:00 Q&A
- 12:00-1:30 Lunch on your own

Session III: Articular Cartilage

Moderator: Darren Johnson MD

- 1:30-1:45 Articular cartilage Lesions: Chondroplasty / Abrasion/Microfracture
Nick Sgaglione MD
- 1:45-2:00 Cell Transplant for Treating cartilage lesions
Brian Cole MD
- 2:00-2:15 Osteochondral Grafts for Treating Cartilage lesions: Allograft/Autograft
Nick Sgaglione MD
- 2:15-2:30 Partial Resurfacing for Limited Arthritis
Mike Malek MD
- 2:30- 3:00 Q & A
- 3:00-3:30 Refreshments/Visit Exhibits

Session IV: Arthroplasty in Degenerative Arthritis of the Knee

Moderator: Nick Sgaglione MD

- 3:30-3:45 Kinematic Alignment in Total Knee Arthroplasty
Steve Howell MD
- 3:45-4:00 Unicondylar Knee Arthroplasty
John Klimkiewicz MD
- 4:00-4:15 Total Knee Arthroplasty: Cemented vs. Non-Cemented
Tony Unger MD
- 4:15-4:30 Pearl and Pitfalls in Revision Arthroplasty
Javad Parvizi MD
- 4:30-4:45 Dealing with Infection Following Knee Arthroplasty
Javad Parvizi MD
- 4:45-5:00 Q & A

Sunday April 1st, 2012

- 7:00-7: 55am Registration/Continental Breakfast
- 7:55 - 8:00 Opening Remarks
Benjamin Shaffer MD
- 8:00-8:20 MRI of the Hip: How helpful is it in our decision making for hip arthroscopy?
Kevin Johnson MD

Session I: Hip

Moderator: Benjamin Shaffer MD

- 8:20-8:35 Decision Making in Hip Arthroscopy
Victor Ilizaliturri MD
- 8:35-8:50 Traumatic injuries of the Hip in Athletes: Arthroscopic Evaluation and Treatment
Victor Ilizaliturri MD
- 8:50-9:05 Present Status of Hip Arthroplasty: What is New?
Tony Unger MD
- 9:05-9:30 Q & A
- 9:30-9:45 Break/Refreshments

Session II: Hand and Wrist Problems

Moderator: Mike Malek MD

- 9:45-10:00 Common Problems of the Hand and Wrist
Dave Moss MD
- 10:00-10:15 Arthroscopic Management of Articular Disorders of the Hand & Wrist
Dave Moss MD
- 10:15-10:30 Q&A

Session III: Foot and Ankle Problems

Moderator: Mike Malek MD

- 10:30-10:45 Common Fractures/Dislocations of the Foot and Ankle – Evaluation & Treatment
Steve Neufeld MD
- 10:45-11:00 Operative Management of Achilles Tendon Disorders
Ed Magur MD
- 11:00-11:15 Present Status of Arthroplasty in Foot and Ankle
Steve Neufeld MD
- 11:15 -11:45 Questions and Answers
- 11:45 Adjourn
